The food distribution has gone back to a hybrid “walk-In” system. Our clients stand in line, sign-in and are provided with a cart already loaded with meats, breads/pastries, vegetables/fruits, dairy products and other extras.

Our volunteers are working harder but this system is allowing us to better serve our clients as they can quickly load the food into their cars and free the cart for re-loading.

We are continuously evolving and improving our processes in order to be more efficient and effective in our service to the community.

Mission Statement

Through the embodiment of God's love build a stronger community one person at a time. To deliver meaningful services and resources to all in need, one home at a time, one city at a time.

Vision Statement

To extend our arms to embrace, support and uplift those in need by aiding in the relief of social and economic stigmas in our community. To be “God's Servants”, “in God's Service”, demonstrating compassion for all people.

TOTAL SUCCESS!

On April 23rd we had our first fundraiser of the year.

Our gratitude goes to each one of you who participated by purchasing meal tickets, raffle tickets and coming to have breakfast with us. Applebee's in Walnut was our host and the venue was very pleasant and accommodating.
